## Change of the PC to Be Installed in the DDS2300/DDS2310

### Introduction

---

We change the PC to be installed in the DDS2300/DDS2310.

### Details of the PC change

---

Item	Old part	New part
Product name	FA COMPUTER	FA COMPUTER
Part name	DAAHJ406001-3	DAAHJ205001-0
CPU	Intel Celeron CPU J1900 2.0 GHz	Intel Celeron CPU G3930E 2.9 GHz
Memory	2 GB	4 GB
OS	Windows 7 Embedded	Windows 10 IoT Enterprise
Storage	DDAHFD25S03-0 (SSD 16 GB)	DDAHFD25S06-0 (SSD 30 GB)

### Time of starting the change

---

- DDS2300: The change is scheduled to start from the production in July 2021.
- DDS2310: The change is scheduled to start from the production in January 2022.

### Change of the OS

---

With the change of the PC, we also change the OS (from Windows 7 to Windows 10), but there is no change in the operation screen or operation procedure.

### To replace the old part currently in use by the new part

---

Replacement by the new PC will be handled on a chargeable basis. In addition, parts that need to be replaced and part replacement work due to the change of PC will be chargeable. For details, please contact your DISCO sales representative.

### Inquiries

---

Please contact your local DISCO sales representative or customer engineer if you have any questions regarding this matter.
